Moose Run Golf Course is tucked in at the base of the Chugach Mountains and has some of the most beautiful views of this mountain range. A game of golf is often like a trip to a wildlife sanctuary. Golfers may see brown and black bear, fox, wolf, lynx, bald eagle and, of course, moose. Photo opportunities abound and many golfers are seen with their cameras at the ready.

While Moose Run Golf Course is a military course it is open to the civilian community and the many tourists that come here each year. The Moose Run Golf Course offers a practice facility including: driving range, two chipping ranges, two practice putting greens, and a practice bunker.
