

11th Annual Mid-Oregon Construction Safety Summit

Dear Prospective Exhibitor:

You are cordially invited to join industry representatives and exhibit your products at the Mid-Oregon Construction Safety Summit. The Central Oregon Safety & Health Association (COSHA) and construction-related organizations are proud to present this construction safety and health educational event.

The 2012 Safety Summit – “Bridging the Gap” targets some of the most hazardous tasks found on construction sites. Sessions are tailored to bring the most relevant and timely information and tools to assist employers and employees in reducing and eliminating injuries and illnesses on their jobs.

Our goal is to provide an outstanding Summit that is affordable and provides construction workers with the tools to work safer and healthier.

As an industry representative, your company has a rare and exciting opportunity to display and participate in this year’s successful Summit. The Summit is being held **January 24, 2012**, at The Riverhouse Resort and Convention Center in Bend, Oregon. We invite your company to be an exhibitor for this one-day event.

Should you choose not to become an exhibitor, your company may be a benefactor by sponsoring breakfast, lunch, or as a general sponsor. As a sponsor you will receive special recognition in the conference program as well as during the conference.

Exhibitor package includes -- \$200 Contribution

- Exhibitor table for display of items with constant visibility throughout the training day
- Recognition at general session, breaks, and lunch session
- Lunch provided for exhibitor representatives at the event

We recommend you register before December 15, 2011. To reserve a space, complete the exhibit application and return it with payment.

Sincerely,

The 2012 Mid-Oregon Construction Safety Summit Planning Committee
