Dear Safety & Health minded individual:

We would like to take this opportunity to request and encourage your donation in support of the **2012 Mid-Oregon Construction Safety Summit** slated for January 24, 2012, in Bend.

The 2012 Safety Summit – “Bridging the Gap” targets some of the most hazardous tasks found on construction sites. tailored to bring the most relevant and timely information and tools to assist employers and employees in reducing and eliminating injures and illnesses on their jobs.

Our goal is to offer affordable training that provides the Central Oregon construction industry the tools to work in a safer, more efficient manner. With your help we can do this.

It is our belief that it takes ALL trades working together to make a project and jobsite 100% safe. Working together we can make a difference. We understand that economic times are currently in distress, however, if you are a general contractor or involved in one of the above trades, we ask that you join us in our belief of safety by donating to the event.

There are a number of different ways this can be accomplished. You can sponsor a lunch, a break, a speaker, or a lump sum to help cover the costs of the Summit expenses.

How will your generous sponsorship be recognized? All sponsors will have their company logo on a scrolling marquee at the event in the exhibit hall and company name listed in the registration materials. **Primary Sponsors** donating \$1,500 or more will be honored in media releases/ads about the event and on the COSHA website and receive two complimentary attendee registrations and an exhibit space. **Support Sponsors** donating \$750 or more will receive one complimentary registration.

Sponsorships opportunities:

Primary sponsor	\$1,500 or more
Support sponsor	\$ 750 or more
Contributor sponsor	\$ 250 or more
Friend of Safety	\$_____ (you set amount)
Meal sponsor:	
Lunch co-sponsor*	\$1,000
Breakfast sponsor*	\$ 750

*** Breakfast and lunch sponsorships issued on first-come, first-served basis**

Once again, please take time to consider our request for sponsorship of the **11th Annual Mid-Oregon Construction Safety Summit**. After all, your sponsorship will be a “safe” investment to the working trades of Central Oregon.

Sincerely,

***Mid-Oregon Construction Safety Summit and the
Central Oregon Safety and Health Association (COSHA)***
