

## Connecting Guylines (Choker Bell)

**This choker bell is not an acceptable guyline connector.**

**Guyline extensions must be connected by:**

- (a) A shackle using a safety pin connecting spliced and/or pressed eyes, or**
- (b) Poured nubbins and a double-end hook.**

437-007-0630(1)

**Sleeve shackles or choker bells must be used where choked lines are permitted.** 437-007-0635(8)

**Sleeve shackles must not be used to join two or more eyes together.** 437-007-0635(10)
